

The Little Rascal

makes 1 cocktail

- 1 cup organic cane sugar
- 3 tablespoons toasted buckwheat groats
- 2 ounces Otay Buckwheat "Whisky"
- 1 ounce rhubarb juice
- 1 ounce toasted buckwheat syrup
- Twist of lemon

To make the buckwheat syrup, combine sugar with 1 cup water in a small saucepan. Simmer over medium heat until sugar is completely dissolved. Remove from heat and stir in groats. Cover and cool to room temperature. Strain and transfer syrup to a glass jar. Keeps refrigerated for a week.

In a cocktail shaker, combine the Otay Buckwheat, rhubarb juice and buckwheat syrup with a generous handful of ice. Shake vigorously and pour into a rocks glass. Garnish with the twist.
